## **Rental Process**

**Ballrooms-** It is recommended to start planning 60 days out from the date of your proposed event; this ensures availability and accommodation of needs. Our two ballrooms together hold up to 200 guests and can be set up using just the center's chairs in rows, round or rectangle tables with or without chairs, or as an open space. Individual ballrooms can be booked for smaller groups and hold up to 100 guests each.

**Conference Room/Texas Star Room-** It is recommended to start planning 30 days out from the date of your proposed event; this ensures availability and accommodation of needs. Our Texas Star room holds up to 50 guests and can be set up using just the center's chairs in rows, rectangle tables with or without chairs, or as an open space.

**Billiards/Patio/Community Area-** These areas vary in size and capacity. All spaces have tables and chairs already in place. Please work with our team to help you to reserve the best area/items/entertainment to accommodate your event needs.

**Bar-** We have a fully stocked bar and well-trained bartenders. The bar holds over 100 guests with our partition closed but can accommodate up to 300 with attached ballroom reserved. The bar offers games and an updated patio included with the high-top tables suited for social events and gatherings.

\*If our schedule allows, we will accommodate late or last-minute bookings. Please understand we book on a priority, first come, first serve basis.

\*The chairs and tables are provided by the center, but we do ask our booking points of contact to set up and tear down (to include trash pick-up) their scheduled event. This not only ensures proper set-up of the event's requirements, but also allows our guest(s) to arrange the rooms in a way that best fits their needs.
