

GOODFELLOW AFB | SCHOOL LIAISON PROGRAM MANAGER'S APRIL 2026 NEWSLETTER

Happy Month of the Military Child Raiders!

April is designated as the Month of the Military Child. It is a time to recognize and celebrate the important role that military children play within the armed forces community. This observance acknowledges the unique challenges and sacrifices that military children face, such as frequent relocations, constantly having to rebuild social networks, and parental deployments.

Month of the Military Child Notes:

- Throughout April, schools and communities worldwide organize special events to honor military children and provide them with quality service and support. A visible way for everyone to show support and thank military youth for their strength and sacrifices is to wear purple on "Purple Up Day." Purple Up Day is on 15 April 2026.
- The official flower of the military child is the dandelion. Dandelions represent military children because they are resilient, able to put down roots, and flourish almost anywhere the wind scatters them.
