Important Dates in the Month of June:

- 6 June 2026 - Commemorations will be held across the country in remembrance of D-Day (June 6, 1944). This is the historic date when Allied Forces launched the largest amphibious invasion in history, in Normandy, France.
- 14 June 2026 - The 14th of June is a nationally observed holiday in the United States. It is also known as Flag Day. It commemorates the adoption of the American flag by the Continental Congress on June 14, 1777.
- 14 June 2026 - The U.S. Army's Birthday is also celebrated annually on June 14th. The Continental Army was formed on June 14, 1775. George Washington was appointed commander-in-chief the following day.
- 19 June 2026 - June 19 is Juneteenth (a combination of "June" and "nineteenth"), which is an official federal holiday in the United States. Juneteenth commemorates the emancipation of enslaved African Americans. It marks the day in 1865 when Union troops arrived in Galveston, TX, to announce that enslaved people were free.
